

AGTR2 Polyclonal Antibody

Rabbit Polyclonal Antibody

Catalog # ABV11773

Product Information

Application	WB, IHC, E
Primary Accession	AAS45437
Reactivity	Human, Mouse, Rat
Host	Rabbit
Clonality	Polyclonal
Isotype	Rabbit IgG

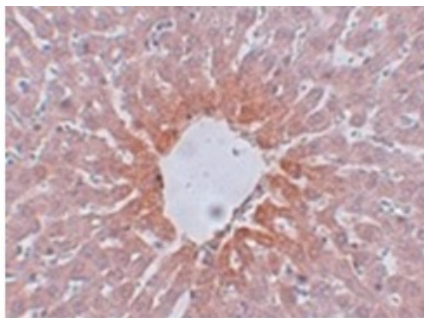

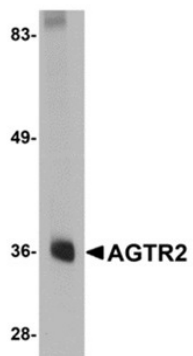

Additional Information

Positive Control	WB, IHC
Application & Usage	WB-0.5 µg/mL, IHC-P-5 µg/mL, ELISA,
Alias Symbol	AGTR2
Other Names	AGTR2 Antibody; AT2, ATGR2, MRX88, Type-2 angiotensin II receptor, Angiotensin II type-2 receptor, AT2
Appearance	Colourless liquid
Formulation	50 µg (1mg/ml) of antibody in PBS containing 0.02% sodium azide.
Reconstitution & Storage	-20 °C
Background Descriptions	
Precautions	AGTR2 Polyclonal Antibody is for research use only and not for use in diagnostic or therapeutic procedures.

Protein Information

Images

Western blot analysis of AGTR2 in mouse liver tissue lysate with AGTR2 antibody.

Immunohistochemistry of AGTR2 in rat liver tissue with AGTR2 antibody.
