

Anti-HA Tag (FITC) Antibody

Catalog # ABV12012

Product Information

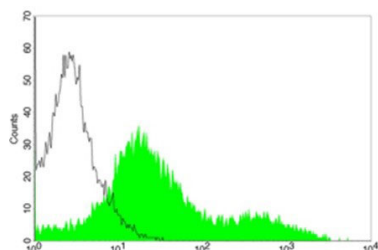

Application	IF, FC
Primary Accession	D5XIF4
Host	Mouse
Isotype	MouseIgG1 κ
Clone Names	5E11D8

Additional Information

Positive Control	HEK-293 cells expressing HA tagged protein
Application & Usage	IF: 0.5-2 μ g/ml FC: 0.5-2 μ g for 1 x 10 ⁶ cells
Other Names	Hemagglutinin, HA
Target/Specificity	HA
Antibody Form	Liquid
Appearance	Colorless liquid
Handling	The antibody solution should be gently mixed before use.
Reconstitution & Storage	-20 °C
Background Descriptions	
Precautions	Anti-HA Tag (FITC) Antibody is for research use only and not for use in diagnostic or therapeutic procedures.
