

# KD-Validated Anti-DFFA Rabbit Monoclonal Antibody

Rabbit monoclonal antibody

Catalog # AGI1862

## Product Information

---

|                          |                                                                                                                                                                                                                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Application</b>       | WB, FC, ICC                                                                                                                                                                                                                                                                               |
| <b>Primary Accession</b> | <a href="#">O00273</a>                                                                                                                                                                                                                                                                    |
| <b>Reactivity</b>        | Human                                                                                                                                                                                                                                                                                     |
| <b>Clonality</b>         | Monoclonal                                                                                                                                                                                                                                                                                |
| <b>Isotype</b>           | Rabbit IgG                                                                                                                                                                                                                                                                                |
| <b>Clone Names</b>       | 24GB4810                                                                                                                                                                                                                                                                                  |
| <b>Calculated MW</b>     | 36522                                                                                                                                                                                                                                                                                     |
| <b>Gene Name</b>         | DFFA                                                                                                                                                                                                                                                                                      |
| <b>Aliases</b>           | DFFA; DNA Fragmentation Factor Subunit Alpha; DFF-45; DFF45; ICAD; DFF1; DNA Fragmentation Factor, 45kDa, Alpha Polypeptide; DNA Fragmentation Factor 45KDa Subunit; Inhibitor Of CAD; DNA Fragmentation Factor, 45 KD, Alpha Polypeptide; DNA Fragmentation Factor, 45 KD, Alpha Subunit |
| <b>Immunogen</b>         | A synthesized peptide derived from human ICAD                                                                                                                                                                                                                                             |

## Additional Information

---

|                    |                                                                                                                                    |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 1676                                                                                                                               |
| <b>Other Names</b> | DNA fragmentation factor subunit alpha, DNA fragmentation factor 45 kDa subunit, DFF-45, Inhibitor of CAD, ICAD, DFFA, DFF1, DFF45 |

## Protein Information

---

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| <b>Name</b>              | DFFA                                              |
| <b>Synonyms</b>          | DFF1, DFF45                                       |
| <b>Function</b>          | Inhibitor of the caspase-activated DNase (DFF40). |
| <b>Cellular Location</b> | Cytoplasm.                                        |
