

# KD-Validated Anti-Annexin A6 Rabbit Monoclonal Antibody

Rabbit monoclonal antibody  
Catalog # AGI1977

## Product Information

|                          |                                                                                                                                                                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Application</b>       | WB                                                                                                                                                                                                                                                                                     |
| <b>Primary Accession</b> | <a href="#">P08133</a>                                                                                                                                                                                                                                                                 |
| <b>Reactivity</b>        | Rat, Human, Mouse                                                                                                                                                                                                                                                                      |
| <b>Clonality</b>         | Monoclonal                                                                                                                                                                                                                                                                             |
| <b>Isotype</b>           | Rabbit IgG                                                                                                                                                                                                                                                                             |
| <b>Clone Names</b>       | 24GB6825                                                                                                                                                                                                                                                                               |
| <b>Calculated MW</b>     | 75873                                                                                                                                                                                                                                                                                  |
| <b>Gene Name</b>         | ANXA6                                                                                                                                                                                                                                                                                  |
| <b>Aliases</b>           | ANXA6; Annexin A6; ANX6; 67 KDa Calelectrin; Chromobindin-20; Lipocortin VI; Annexin-6; CPB-II; P68; P70; Testis Secretory Sperm-Binding Protein Li 198a; Calcium-Binding Protein P68; Annexin VI (P68); Calphobindin II; Calphobindin-II; Calelectrin; Protein III; Annexin VI; CBP68 |
| <b>Immunogen</b>         | Recombinant protein of human Annexin-6                                                                                                                                                                                                                                                 |

## Additional Information

|                    |                                                                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 309                                                                                                                                                |
| <b>Other Names</b> | Annexin A6, 67 kDa calelectrin, Annexin VI, Annexin-6, Calphobindin-II, CPB-II, Chromobindin-20, Lipocortin VI, Protein III, p68, p70, ANXA6, ANX6 |

## Protein Information

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Name</b>              | ANXA6                                                                                                        |
| <b>Synonyms</b>          | ANX6                                                                                                         |
| <b>Function</b>          | May associate with CD21. May regulate the release of Ca(2+) from intracellular stores.                       |
| <b>Cellular Location</b> | Cytoplasm. Melanosome. Note=Identified by mass spectrometry in melanosome fractions from stage I to stage IV |

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
