

# HNF1A Antibody - C-terminal region

Rabbit Polyclonal Antibody

Catalog # AI10207

## Product Information

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| <b>Application</b>       | WB                                              |
| <b>Primary Accession</b> | <a href="#">EOYMI9</a>                          |
| <b>Reactivity</b>        | Human, Mouse, Rat, Dog, Horse, Bovine           |
| <b>Predicted</b>         | Human, Mouse, Rat, Pig, Dog, Guinea Pig, Bovine |
| <b>Host</b>              | Rabbit                                          |
| <b>Clonality</b>         | Polyclonal                                      |
| <b>Calculated MW</b>     | 49 KDa                                          |

## Additional Information

|                                     |                                                                                                                                                                                                |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-HNF1A antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | HNF1A Antibody - C-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |

## Protein Information

## Images

Host:Rabbit  
Target Name:HNF1A  
Sample Tissue: 293T Whole cell lysate  
S  
Antibody Dilution:1.µg/ml

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
