

# DDX52 Antibody - C-terminal region

Rabbit Polyclonal Antibody

Catalog # AI10974

## Product Information

|                   |                                |
|-------------------|--------------------------------|
| Application       | WB                             |
| Primary Accession | <a href="#">A8MTP9</a>         |
| Reactivity        | Human, Pig, Dog, Horse, Bovine |
| Predicted         | Human, Pig, Dog, Horse, Bovine |
| Host              | Rabbit                         |
| Clonality         | Polyclonal                     |
| Calculated MW     | 54 kDa                         |

## Additional Information

|                          |                                                                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                    |
| Reconstitution & Storage | Add 50 $\mu$ l of distilled water. Final Anti-DDX52 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at -20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | DDX52 Antibody - C-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                                 |

## Protein Information

## Images

Host: Rabbit  
Target Name: DDX52  
Sample Tissue: Uterus tumor lysates  
Antibody Dilution: 1.0 $\mu$ g/ml

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
