

# Tsc22d4 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI11187

## Product Information

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Application       | WB                                                    |
| Primary Accession | <a href="#">Q99PD5</a>                                |
| Other Accession   | <a href="#">NM_023910</a> , <a href="#">NP_076399</a> |
| Reactivity        | Human, Mouse, Rat, Rabbit, Bovine                     |
| Predicted         | Mouse, Rat                                            |
| Host              | Rabbit                                                |
| Clonality         | Polyclonal                                            |
| Calculated MW     | 40 kDa                                                |

## Additional Information

|                          |                                                                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alias Symbol             | 0610009M14Rik, 1700023B23Rik, AI415410, Thg-1pit, Tilz2                                                                                                                                          |
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-Tsc22d4 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | Tsc22d4 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |
