

# IRF7 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI11414

## Product Information

---

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Application       | WB                                                    |
| Primary Accession | <a href="#">Q92985-4</a>                              |
| Other Accession   | <a href="#">NM_004031</a> , <a href="#">NP_004022</a> |
| Reactivity        | Human, Mouse, Rat, Rabbit, Pig, Dog, Horse, Bovine    |
| Predicted         | Human, Mouse, Rat, Rabbit, Pig, Dog, Horse, Bovine    |
| Host              | Rabbit                                                |
| Clonality         | Polyclonal                                            |
| Calculated MW     | 56 kDa                                                |

## Additional Information

---

|                          |                                                                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alias Symbol             | IRF-7H, IRF7A                                                                                                                                                                                 |
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                             |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-IRF7 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | IRF7 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |
