

# ZNF597 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI11645

## Product Information

---

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| <b>Application</b>       | WB                                                    |
| <b>Primary Accession</b> | <a href="#">Q96LX8</a>                                |
| <b>Other Accession</b>   | <a href="#">NM_152457</a> , <a href="#">NP_689670</a> |
| <b>Reactivity</b>        | Human, Rat, Rabbit, Horse                             |
| <b>Host</b>              | Rabbit                                                |
| <b>Clonality</b>         | Polyclonal                                            |
| <b>Calculated MW</b>     | 48076                                                 |

## Additional Information

---

|                                     |                                                                                                                                                                                                 |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 146434                                                                                                                                                                                          |
| <b>Alias Symbol</b>                 | FLJ33071                                                                                                                                                                                        |
| <b>Other Names</b>                  | Zinc finger protein 597, ZNF597                                                                                                                                                                 |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                               |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-ZNF597 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | ZNF597 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |

## Protein Information

---

|                          |                                                |
|--------------------------|------------------------------------------------|
| <b>Name</b>              | ZNF597                                         |
| <b>Function</b>          | May be involved in transcriptional regulation. |
| <b>Cellular Location</b> | Nucleus.                                       |

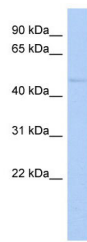

## References

---

Gerhard,D.S., Genome Res. 14 (10B), 2121-2127 (2004)Reconstitution and Storage:For short term use, store at 2-8C up to 1 week. For long term storage, store at -20C in small aliquots to prevent freeze-thaw cycles.
