

# NOC4L antibody - C-terminal region

Rabbit Polyclonal Antibody

Catalog # AI11835

## Product Information

---

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| <b>Application</b>       | WB, IHC                                               |
| <b>Primary Accession</b> | <a href="#">Q9BVI4</a>                                |
| <b>Other Accession</b>   | <a href="#">NM_024078</a> , <a href="#">NP_076983</a> |
| <b>Reactivity</b>        | Human, Mouse, Rat, Pig, Horse, Bovine                 |
| <b>Predicted</b>         | Human, Mouse, Rat, Pig, Horse, Bovine                 |
| <b>Host</b>              | Rabbit                                                |
| <b>Clonality</b>         | Polyclonal                                            |
| <b>Calculated MW</b>     | 58468                                                 |

## Additional Information

---

|                                     |                                                                                                                                                                                                |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 79050                                                                                                                                                                                          |
| <b>Alias Symbol</b>                 | NOC4, NET49, UTP19                                                                                                                                                                             |
| <b>Other Names</b>                  | Nucleolar complex protein 4 homolog, NOC4 protein homolog, NOC4-like protein, Nucleolar complex-associated protein 4-like protein, NOC4L                                                       |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-NOC4L antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | NOC4L antibody - C-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |

## Protein Information

---

|                          |                                                                   |
|--------------------------|-------------------------------------------------------------------|
| <b>Name</b>              | NOC4L                                                             |
| <b>Cellular Location</b> | Nucleus membrane; Multi-pass membrane protein. Nucleus, nucleolus |

## References

---

Rual,J.F., (2005) Nature 437 (7062), 1173-1178  
Reconstitution and Storage:For short term use, store at 2-8C up to 1 week. For long term storage, store at -20C in small aliquots to prevent freeze-thaw cycles.

## Images

---

Rabbit Anti-NOC4L Antibody  
 Paraffin Embedded Tissue: Human Kidney  
 Cellular Data: Epithelial cells of renal tubule  
 Antibody Concentration: 4.0-8.0 µg/ml  
 Magnification: 400X

WB Suggested Anti-NOC4L Antibody Titration: 0.2-1 µg/ml  
 Positive Control: Jurkat cell lysate

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
