

# Dnd1 Antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI11858

## Product Information

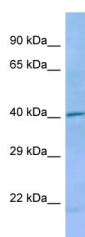

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Application       | WB                                                          |
| Primary Accession | <a href="#">D3ZQ06</a>                                      |
| Other Accession   | <a href="#">NM_001109379</a> , <a href="#">NP_001102849</a> |
| Reactivity        | Human, Mouse, Rat, Pig, Dog, Horse, Bovine                  |
| Predicted         | Human, Pig, Dog, Horse, Bovine                              |
| Host              | Rabbit                                                      |
| Clonality         | Polyclonal                                                  |
| Calculated MW     | 38 kDa                                                      |

## Additional Information

|                          |                                                                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                             |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-Dnd1 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | Dnd1 Antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |

## Protein Information

## Images

Host: Rabbit  
Target Name: Dnd1  
Sample Tissue: Rat Small Intestine lysates  
Antibody Dilution: 1.0µg/ml

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
