

# GSTT4 Antibody - C-terminal region

Rabbit Polyclonal Antibody

Catalog # AI13006

## Product Information

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Application       | WB                                              |
| Primary Accession | <a href="#">A8MPT4</a>                          |
| Reactivity        | Human, Rat, Rabbit, Pig, Dog, Guinea Pig, Horse |
| Predicted         | Human, Rat, Rabbit, Pig, Dog, Guinea Pig, Horse |
| Host              | Rabbit                                          |
| Clonality         | Polyclonal                                      |
| Calculated MW     | 26 kDa                                          |

## Additional Information

|                          |                                                                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-GSTT4 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | GSTT4 Antibody - C-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |

## Protein Information

## Images

Host: Rabbit  
Target Name: GSTT4  
Sample Tissue: ACHN whole cell lysate  
S  
Antibody Dilution: 1.0µg/ml

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
