

# FTHL17 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI13114

## Product Information

---

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| <b>Application</b>       | WB                                                    |
| <b>Primary Accession</b> | <a href="#">Q9BXU8</a>                                |
| <b>Other Accession</b>   | <a href="#">NM_031894</a> , <a href="#">NP_114100</a> |
| <b>Reactivity</b>        | Human                                                 |
| <b>Predicted</b>         | Human                                                 |
| <b>Host</b>              | Rabbit                                                |
| <b>Clonality</b>         | Polyclonal                                            |
| <b>Calculated MW</b>     | 21142                                                 |

## Additional Information

---

|                                     |                                                                                                                                                                                                 |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 53940                                                                                                                                                                                           |
| <b>Alias Symbol</b>                 | CT38                                                                                                                                                                                            |
| <b>Other Names</b>                  | Ferritin heavy polypeptide-like 17, Cancer/testis antigen 38, CT38, FTHL17                                                                                                                      |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                               |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-FTHL17 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | FTHL17 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |

## Protein Information

---

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| <b>Name</b>            | FTHL17                                              |
| <b>Tissue Location</b> | Testis specific. Also expressed in several cancers. |
