

# St6gal2 antibody - C-terminal region

Rabbit Polyclonal Antibody

Catalog # AI13124

## Product Information

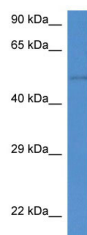

|                          |                                                                           |
|--------------------------|---------------------------------------------------------------------------|
| <b>Application</b>       | WB                                                                        |
| <b>Primary Accession</b> | <a href="#">B2RQY9</a>                                                    |
| <b>Other Accession</b>   | <a href="#">NM_172829</a> , <a href="#">NP_766417</a>                     |
| <b>Reactivity</b>        | Human, Mouse, Rat, Rabbit, Zebrafish, Pig, Dog, Guinea Pig, Horse, Bovine |
| <b>Predicted</b>         | Mouse, Rabbit, Zebrafish, Pig, Chicken, Dog, Guinea Pig                   |
| <b>Host</b>              | Rabbit                                                                    |
| <b>Clonality</b>         | Polyclonal                                                                |
| <b>Calculated MW</b>     | 50 kDa                                                                    |

## Additional Information

|                                     |                                                                                                                                                                                                  |
|-------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Alias Symbol</b>                 | C230064G14Rik, St6galII, mKIAA1877                                                                                                                                                               |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-St6gal2 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | St6gal2 antibody - C-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |
