

# L3MBTL3 antibody - N-terminal region

Rabbit Polyclonal Antibody

Catalog # AI13209

## Product Information

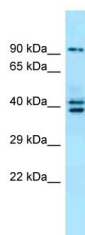

|                   |                                                                |
|-------------------|----------------------------------------------------------------|
| Application       | WB                                                             |
| Primary Accession | <a href="#">Q08DF3</a>                                         |
| Other Accession   | <a href="#">NM_001007102</a> , <a href="#">NP_001007103</a>    |
| Reactivity        | Human, Mouse, Rat, Rabbit, Pig, Dog, Guinea Pig, Horse, Bovine |
| Predicted         | Human, Rat, Rabbit, Pig, Chicken, Horse, Bovine                |
| Host              | Rabbit                                                         |
| Clonality         | Polyclonal                                                     |
| Calculated MW     | 86 kDa                                                         |

## Additional Information

|                          |                                                                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alias Symbol             | MBT-1, MBT1, RP11-73O6.1                                                                                                                                                                         |
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-L3MBTL3 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | L3MBTL3 antibody - N-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |
