

# APH1B antibody - C-terminal region

Rabbit Polyclonal Antibody

Catalog # AI13624

## Product Information

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| <b>Application</b>       | WB                                                          |
| <b>Primary Accession</b> | <a href="#">Q564N3</a>                                      |
| <b>Other Accession</b>   | <a href="#">NM_001145646</a> , <a href="#">NP_001139118</a> |
| <b>Reactivity</b>        | Human, Mouse, Rat, Rabbit, Dog, Guinea Pig, Horse, Bovine   |
| <b>Predicted</b>         | Human, Mouse, Rat, Rabbit, Dog, Horse, Bovine               |
| <b>Host</b>              | Rabbit                                                      |
| <b>Clonality</b>         | Polyclonal                                                  |
| <b>Calculated MW</b>     | 23 kDa                                                      |

## Additional Information

|                                     |                                                                                                                                                                                                |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Alias Symbol</b>                 | APH-1B, DKFZp564D0372, FLJ33115, PRO1328, PSFL, TAAV688                                                                                                                                        |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-APH1B antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | APH1B antibody - C-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |
