

# Cdc42ep4 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI13693

## Product Information

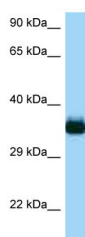

|                   |                                                             |
|-------------------|-------------------------------------------------------------|
| Application       | WB                                                          |
| Primary Accession | <a href="#">B1WC33</a>                                      |
| Other Accession   | <a href="#">NM_001107063</a> , <a href="#">NP_001100533</a> |
| Reactivity        | Human, Mouse, Rat, Pig, Dog, Guinea Pig, Horse, Bovine      |
| Predicted         | Human, Mouse, Rat, Dog, Bovine                              |
| Host              | Rabbit                                                      |
| Clonality         | Polyclonal                                                  |
| Calculated MW     | 38 kDa                                                      |

## Additional Information

|                          |                                                                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                 |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-Cdc42ep4 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | Cdc42ep4 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |
