

# PLCB1 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI13864

## Product Information

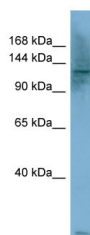

|                          |                                                                |
|--------------------------|----------------------------------------------------------------|
| <b>Application</b>       | WB                                                             |
| <b>Primary Accession</b> | <a href="#">D3DW13</a>                                         |
| <b>Other Accession</b>   | <a href="#">NM_182734</a> , <a href="#">NP_877398</a>          |
| <b>Reactivity</b>        | Human, Mouse, Rat, Rabbit, Pig, Dog, Guinea Pig, Horse, Bovine |
| <b>Predicted</b>         | Human, Mouse, Rat, Rabbit, Pig, Dog, Guinea Pig, Horse, Bovine |
| <b>Host</b>              | Rabbit                                                         |
| <b>Clonality</b>         | Polyclonal                                                     |
| <b>Calculated MW</b>     | 134 KDa                                                        |

## Additional Information

|                                     |                                                                                                                                                                                                |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Alias Symbol</b>                 | FLJ45792, PI-PLC, PLC-154, PLC-I, EIEE12, PLC154, PLCB1A, PLCB1B                                                                                                                               |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-PLCB1 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | PLCB1 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |

## Protein Information

## Images

WB Suggested Anti-PLCB1 Antibody Titration: 0.2-1 µg/ml  
ELISA Titer: 1:312500  
Positive Control: HepG2 cell lysate  
There is BioGPS gene expression data showing that PLCB1 is expressed in HepG2
