

# TBX10 antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI14244

## Product Information

---

|                   |                                                       |
|-------------------|-------------------------------------------------------|
| Application       | WB                                                    |
| Primary Accession | <a href="#">O75333</a>                                |
| Other Accession   | <a href="#">NM_005995</a> , <a href="#">NP_005986</a> |
| Reactivity        | Human, Bovine                                         |
| Predicted         | Human, Pig, Bovine                                    |
| Host              | Rabbit                                                |
| Clonality         | Polyclonal                                            |
| Calculated MW     | 42341                                                 |

## Additional Information

---

|                          |                                                                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID                  | 347853                                                                                                                                                                                         |
| Alias Symbol             | TBX13, TBX7                                                                                                                                                                                    |
| Other Names              | T-box transcription factor TBX10, T-box protein 10, TBX10, TBX7                                                                                                                                |
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| Reconstitution & Storage | Add 50 ul of distilled water. Final anti-TBX10 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | TBX10 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |

## Protein Information

---

|                   |                                                                         |
|-------------------|-------------------------------------------------------------------------|
| Name              | TBX10                                                                   |
| Synonyms          | TBX7                                                                    |
| Function          | Probable transcriptional regulator involved in developmental processes. |
| Cellular Location | Nucleus {ECO:0000255 PROSITE-ProRule:PRU00201}.                         |
