

# Rerg antibody - middle region

Rabbit Polyclonal Antibody

Catalog # AI14437

## Product Information

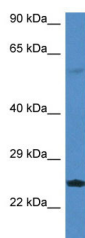

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| <b>Application</b>       | WB                                                                                     |
| <b>Primary Accession</b> | <a href="#">F1M2G3</a>                                                                 |
| <b>Other Accession</b>   | <a href="#">XM_001072746</a> , <a href="#">XP_001072746</a>                            |
| <b>Reactivity</b>        | Human, Mouse, Rat, Rabbit, Zebrafish, Pig, Goat, Dog, Guinea Pig, Horse, Bovine, Yeast |
| <b>Predicted Host</b>    | Human, Mouse, Rat, Rabbit, Pig, Chicken, Dog, Guinea Pig, Bovine                       |
| <b>Clonality</b>         | Rabbit                                                                                 |
| <b>Calculated MW</b>     | Polyclonal<br>22 KDa                                                                   |

## Additional Information

|                                     |                                                                                                                                                                                               |
|-------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Alias Symbol</b>                 | RGD1562829                                                                                                                                                                                    |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                             |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-Rerg antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | Rerg antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                               |
