

# DHX40 Antibody - N-terminal region

Rabbit Polyclonal Antibody

Catalog # AI15599

## Product Information

---

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| <b>Application</b>       | WB                                                    |
| <b>Primary Accession</b> | <a href="#">Q8IX18</a>                                |
| <b>Other Accession</b>   | <a href="#">NM_024612</a> , <a href="#">NP_078888</a> |
| <b>Reactivity</b>        | Human, Mouse, Rat, Pig, Dog, Guinea Pig, Bovine       |
| <b>Predicted</b>         | Human, Mouse, Rat, Pig, Dog, Guinea Pig, Bovine       |
| <b>Host</b>              | Rabbit                                                |
| <b>Clonality</b>         | Polyclonal                                            |
| <b>Calculated MW</b>     | 88560                                                 |

## Additional Information

---

|                                     |                                                                                                                                                                                                |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 79665                                                                                                                                                                                          |
| <b>Alias Symbol</b>                 | DDX40, PAD                                                                                                                                                                                     |
| <b>Other Names</b>                  | Probable ATP-dependent RNA helicase DHX40, 3.6.4.13, DEAH box protein 40, Protein PAD, DHX40, DDX40                                                                                            |
| <b>Format</b>                       | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                              |
| <b>Reconstitution &amp; Storage</b> | Add 50 ul of distilled water. Final anti-DHX40 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles. |
| <b>Precautions</b>                  | DHX40 Antibody - N-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                           |

## Protein Information

---

|                        |                                      |
|------------------------|--------------------------------------|
| <b>Name</b>            | DHX40                                |
| <b>Synonyms</b>        | DDX40                                |
| <b>Function</b>        | Probable ATP-dependent RNA helicase. |
| <b>Tissue Location</b> | Ubiquitously expressed.              |

Host: Rabbit  
Target Name: DHX40  
Sample Tissue: Jurkat Whole cell lysate  
S  
Antibody Dilution: 1.0µg/ml

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
