

# FLI1 Antibody - N-terminal region

Rabbit Polyclonal Antibody

Catalog # AI16041

## Product Information

|                   |                          |
|-------------------|--------------------------|
| Application       | WB                       |
| Primary Accession | <a href="#">Q01543-2</a> |
| Reactivity        | Human                    |
| Host              | Rabbit                   |
| Clonality         | Polyclonal               |
| Calculated MW     | 42 kDa                   |

## Additional Information

|                          |                                                                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alias Symbol             | FLI1,                                                                                                                                                                                               |
| Format                   | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.                                                                                                   |
| Reconstitution & Storage | Add 50 $\mu$ l of distilled water. Final Anti-FLI1 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at -20°C. Avoid repeat freeze-thaw cycles. |
| Precautions              | FLI1 Antibody - N-terminal region is for research use only and not for use in diagnostic or therapeutic procedures.                                                                                 |

## Protein Information

## Images

Host: Rabbit  
Target Name: FLI1  
Sample Tissue: 721\_B Whole cell lysate  
S  
Antibody Dilution: 1.0 $\mu$ g/ml

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
