

# Anti-Histone H4 Antibody (Lys16)

Rabbit Anti Human Polyclonal Antibody

Catalog # ALS18083

## Product Information

---

|                    |                   |
|--------------------|-------------------|
| <b>Application</b> | IHC-P, IF, E      |
| <b>Predicted</b>   | Human, Mouse, Rat |
| <b>Host</b>        | Rabbit            |
| <b>Clonality</b>   | Polyclonal        |
| <b>Isotype</b>     | IgG               |

## Additional Information

---

|                                     |                                                                                                                            |
|-------------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| <b>Target/Specificity</b>           | Histone H4 (Acetyl-Lys16) Antibody detects endogenous levels of total Histone H4 protein only when acetylated at lysine16. |
| <b>Reconstitution &amp; Storage</b> | Immunoaffinity purified                                                                                                    |
| <b>Precautions</b>                  | Anti-Histone H4 Antibody (Lys16) is for research use only and not for use in diagnostic or therapeutic procedures.         |

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
