Anti-PAR / Poly ADP-Ribose Antibody (clone 10H)

Mouse Anti Monoclonal Antibody
Catalog # ALS18136

Product Information

Application	WB, IHC-P, ICC, FC
Predicted	Human, Mouse, Rat, Drosophila
Host	Mouse
Clonality	Monoclonal
Isotype	IgG3,k
Clone Names	10H
Concentration (mg/ml)	1 mg/ml

Additional Information

Target/Specificity	Recognizes poly(ADP-ribose) synthesized by a broad range of PARPs (poly(ADP-ribose) polymerases), including human, mouse, rat or
Reconstitution & Storage	Protein A purified
Precautions	Anti-PAR / Poly ADP-Ribose Antibody (clone 10H) is for research use only and not for use in diagnostic or therapeutic procedures.

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
