

# Anti-SDC2 / Syndecan 2 Antibody (aa81-130)

Rabbit Anti Human Polyclonal Antibody

Catalog # ALS18367

## Product Information

---

|                          |                        |
|--------------------------|------------------------|
| <b>Application</b>       | WB, IHC-P, E           |
| <b>Primary Accession</b> | <a href="#">P34741</a> |
| <b>Predicted</b>         | Human                  |
| <b>Host</b>              | Rabbit                 |
| <b>Clonality</b>         | Polyclonal             |
| <b>Isotype</b>           | IgG                    |
| <b>Calculated MW</b>     | 22160                  |

## Additional Information

---

|                                     |                                                                                                                              |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>                      | 6383                                                                                                                         |
| <b>Alias Symbol</b>                 | SDC2                                                                                                                         |
| <b>Other Names</b>                  | SDC2, CD362, CD362 antigen, HSPG, HSPG1, Fibroglycan, Syndecan proteoglycan 2, SYND2, Syndecan 2, Syndecan-2                 |
| <b>Target/Specificity</b>           | SDC2 Antibody detects endogenous levels of SDC2.                                                                             |
| <b>Reconstitution &amp; Storage</b> | Immunoaffinity purified                                                                                                      |
| <b>Precautions</b>                  | Anti-SDC2 / Syndecan 2 Antibody (aa81-130) is for research use only and not for use in diagnostic or therapeutic procedures. |

## Protein Information

---

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| <b>Name</b>              | SDC2                                                                     |
| <b>Synonyms</b>          | HSPG1                                                                    |
| <b>Function</b>          | Cell surface proteoglycan which regulates dendritic arbor morphogenesis. |
| <b>Cellular Location</b> | Membrane; Single-pass type I membrane protein.                           |

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
