

# The image is immunohistochemistry of paraffin-embedded Human esophagus cancer tissue using P12340(TS

Catalog # AO2751a

## Product Information

---

|                   |                               |
|-------------------|-------------------------------|
| Application       | IHC                           |
| Primary Accession | <a href="#">Q01534/P0CV98</a> |
| Reactivity        | Human                         |
| Host              | Rabbit                        |
| Isotype           | 123                           |
| Description       | Array                         |
| Formulation       | 123123                        |

## Additional Information

---

|             |                                                                                                                                                                                        |
|-------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Other Names | CT78; TSPY; DYS14; pJA923/CT78                                                                                                                                                         |
| Dilution    | IHC~~1:50-1:150                                                                                                                                                                        |
| Storage     | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.                                               |
| Precautions | The image is immunohistochemistry of paraffin-embedded Human esophagus cancer tissue using P12340(TS is for research use only and not for use in diagnostic or therapeutic procedures. |
