# Anti-Ig light chain Lambda-AcalephFluor555-labled

Catalog # AP101605

## Product Information

| | |
|---|---|
| **Application** | FC, IF/IC |
| **Reactivity** | Human |
| **Clonality** | Monoclonal |

## Additional Information

| | |
|---|---|
| **Target/Specificity** | Recognizes human Ig light chain Lambda |
| **Dilution** | FC~~1:10~50 IF/IC~~N/A |
| **Format** | Mouse IgG1. Liquid in PBS, pH 7.3, 0.2% BSA, and 0.02% sodium azide. |
| **Storage** | Store at -20 °C.Stable for 12 months from date of receipt |
| **Name** | Anti-Ig light chain Lambda-AcalephFluor555-labled |

## Background

AcalephFluor555-labled mouse monoclonal antibody to Ig light chain Lambda
