# Anti-HLA-B27-AcalephFluor594-labled

Catalog # AP101983

## Product Information

| | |
|---|---|
| **Application** | FC, IF/IC |
| **Primary Accession** | O19193 |
| **Reactivity** | Human |
| **Clonality** | Monoclonal |

## Additional Information

| | |
|---|---|
| **Other Names** | HLA-B27 protein |
| **Target/Specificity** | Recognizes human HLA-B27 |
| **Dilution** | FC~~1:10~50 IF/IC~~N/A |
| **Format** | Mouse IgG2a. Liquid in PBS, pH 7.3, 0.2% BSA, and 0.02% sodium azide. |
| **Storage** | Store at -20 °C.Stable for 12 months from date of receipt |

## Protein Information

| | |
|---|---|
| **Name** | Anti-HLA-B27-AcalephFluor594-labled |

## Background

AcalephFluor594-labled mouse monoclonal antibody to HLA-B27
