

(Mouse) Jag1 Antibody (C-term)

Purified Rabbit Polyclonal Antibody (Pab) Catalog # AP20997c

Product Information

Application WB, E
Primary Accession Q9QXX0

Reactivity Human, Rat, Mouse

HostRabbitClonalityPolyclonalIsotypeRabbit IgGClone NamesRB51212Calculated MW134164

Additional Information

Gene ID 16449

Other Names Protein jagged-1, Jagged1, CD339, Jag1

Target/Specificity This (Mouse) Jag1 antibody is generated from a rabbit immunized with a KLH

conjugated synthetic peptide between 1103-1137 amino acids from the

C-terminal region of mouse Jag1.

Dilution WB~~1:1000 E~~Use at an assay dependent concentration.

Format Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide.

This antibody is purified through a protein A column, followed by peptide

affinity purification.

Storage Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store

at -20°C in small aliquots to prevent freeze-thaw cycles.

Precautions (Mouse) Jag1 Antibody (C-term) is for research use only and not for use in

diagnostic or therapeutic procedures.

Protein Information

Name Jag1

Function Ligand for multiple Notch receptors and involved in the mediation of Notch

signaling. May be involved in cell-fate decisions during hematopoiesis. Seems

to be involved in early and late stages of mammalian cardiovascular

development. Inhibits myoblast differentiation (By similarity). May regulate

fibroblast growth factor-induced angiogenesis.

Cellular Location Membrane; Single-pass type I membrane protein. Cell membrane

{ECO:0000250 | UniProtKB:P78504}

Tissue Location Widely expressed in many tissues, with highest expression in brain, heart,

muscle and thymus

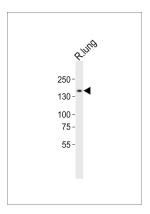

Background

Ligand for multiple Notch receptors and involved in the mediation of Notch signaling. May be involved in cell-fate decisions during hematopoiesis. Seems to be involved in early and late stages of mammalian cardiovascular development. Inhibits myoblast differentiation (By similarity). May regulate fibroblast growth factor-induced angiogenesis.

Images

Western blot analysis of lysate from rat lung tissue lysate, using Jag1 Antibody (C-term)(Cat. #AP20997c). AP20997c was diluted at 1:1000. A goat anti-rabbit IgG H&L(HRP) at 1:10000 dilution was used as the secondary antibody. Lysate at 20ug.
