

# DCLK3 Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP51157

## Product Information

---

|                          |                        |
|--------------------------|------------------------|
| <b>Application</b>       | WB, IHC-P              |
| <b>Primary Accession</b> | <a href="#">Q9C098</a> |
| <b>Reactivity</b>        | Human                  |
| <b>Host</b>              | Rabbit                 |
| <b>Clonality</b>         | Polyclonal             |
| <b>Calculated MW</b>     | 73814                  |

## Additional Information

---

|                    |                                                                                                                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 85443                                                                                                                                                                                   |
| <b>Other Names</b> | Serine/threonine-protein kinase DCLK3, Doublecortin domain-containing protein 3C, Doublecortin-like and CAM kinase-like 3, Doublecortin-like kinase 3, DCLK3, DCAMKL3, DCDC3C, KIAA1765 |
| <b>Dilution</b>    | WB~~1:1000 IHC-P~~N/A                                                                                                                                                                   |
| <b>Format</b>      | 0.01M PBS, pH 7.2, 0.09% (W/V) Sodium azide, Glycerol 50%                                                                                                                               |
| <b>Storage</b>     | Store at -20 °C.Stable for 12 months from date of receipt                                                                                                                               |

## Protein Information

---

|                          |                           |
|--------------------------|---------------------------|
| <b>Name</b>              | DCLK3                     |
| <b>Synonyms</b>          | DCAMKL3, DCDC3C, KIAA1765 |
| <b>Cellular Location</b> | Cytoplasm. Nucleus.       |
