

# Anti-DUX5 Antibody

Catalog # AP51896

## Product Information

---

|                   |                        |
|-------------------|------------------------|
| Application       | WB                     |
| Primary Accession | <a href="#">Q96PT3</a> |
| Reactivity        | Human, Rat             |
| Host              | Rabbit                 |
| Clonality         | Polyclonal             |
| Calculated MW     | 22164                  |

## Additional Information

---

|                    |                                                                                                                                     |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID            | 26581                                                                                                                               |
| Other Names        | Double homeobox protein 5                                                                                                           |
| Target/Specificity | KLH-conjugated synthetic peptide encompassing a sequence within the N-term region of human DUX5. The exact sequence is proprietary. |
| Dilution           | WB~~WB (1/500 - 1/1000)                                                                                                             |
| Format             | Liquid in 0.42% Potassium phosphate, 0.87% Sodium chloride, pH 7.3, 30% glycerol, and 0.01% sodium azide.                           |
| Storage            | Store at -20 °C.Stable for 12 months from date of receipt                                                                           |

## Protein Information

---

|                   |                                    |
|-------------------|------------------------------------|
| Name              | DUX5                               |
| Cellular Location | Nucleus.                           |
| Tissue Location   | Expressed in hepatoma Hep3B cells. |

## References

---
