

FANCB Rabbit pAb

Catalog # AP53632

Product Information

Primary Accession	Q8NB91
Host	Rabbit
Clonality	Polyclonal Antibody
Calculated MW	97726

Additional Information

Gene ID	2187
Other Names	FA2; FAB; FACB; FAAP90; FAAP95
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.

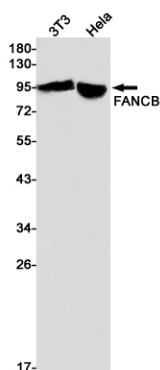

Protein Information

Name	FANCB
Function	DNA repair protein required for FANCD2 ubiquitination.
Cellular Location	Nucleus.

Background

Swiss-Prot Acc.Q8NB91.DNA repair protein required for FANCD2 ubiquitination.

Images

Western blot detection of FANCB in 3T3,HeLa cell lysates using FANCB Rabbit pAb(1:1000 diluted).Predicted band size:98kDa.Observed band size:98kDa.
