

# FAM71D Rabbit pAb

FAM71D Rabbit pAb

Catalog # AP54337

## Product Information

---

|                            |                                                                                                                           |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>Application</b>         | WB                                                                                                                        |
| <b>Reactivity</b>          | Rat, Mouse                                                                                                                |
| <b>Predicted</b>           | Pig, Dog, Human, Rabbit, Horse                                                                                            |
| <b>Host</b>                | Rabbit                                                                                                                    |
| <b>Clonality</b>           | Polyclonal                                                                                                                |
| <b>Physical State</b>      | Liquid                                                                                                                    |
| <b>Immunogen</b>           | KLH conjugated synthetic peptide derived from human FAM71A                                                                |
| <b>Epitope Specificity</b> | 1-100/422                                                                                                                 |
| <b>Isotype</b>             | IgG                                                                                                                       |
| <b>Purity</b>              | affinity purified by Protein A                                                                                            |
| <b>Buffer</b>              | 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                         |
| <b>Important Note</b>      | This product as supplied is intended for research use only, not for use in human, therapeutic or diagnostic applications. |

## Additional Information

---

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Other Names</b> | Protein FAM71D, FAM71D, C14orf54                                                                                                                                                                |
| <b>Dilution</b>    | WB=1:500-2000                                                                                                                                                                                   |
| <b>Storage</b>     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Background

---

This product as supplied is intended for research use only, not for use in human, therapeutic or diagnostic applications.

## Images

---

Sample:  
Cerebrum(Rat) Lysate at 40 ug  
Cerebrum(Mouse) Lysate at 40 ug  
Primary: Anti-FAM71D (AP54337) at 1/1000 dilution  
Secondary: IRDye800CW Goat Anti-Rabbit IgG at 1/20000 dilution  
Predicted band size: 50 kD  
Observed band size: 50 kD

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
