

# FAM104A Polyclonal Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP55674

## Product Information

---

|                          |                          |
|--------------------------|--------------------------|
| <b>Application</b>       | IHC-P, IHC-F, IF, ICC, E |
| <b>Primary Accession</b> | <a href="#">Q969W3</a>   |
| <b>Reactivity</b>        | Rat, Pig, Dog, Bovine    |
| <b>Host</b>              | Rabbit                   |
| <b>Clonality</b>         | Polyclonal               |
| <b>Calculated MW</b>     | 19484                    |

## Additional Information

---

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 84923                                                                                                                                                                                           |
| <b>Other Names</b> | Protein FAM104A, FAM104A                                                                                                                                                                        |
| <b>Dilution</b>    | IHC-P=1:100-500,IHC-F=1:100-500,ICC=1:100-500,IF=1:100-500,ELISA=1:5000-10000                                                                                                                   |
| <b>Storage</b>     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information

---

|                 |                                     |
|-----------------|-------------------------------------|
| <b>Name</b>     | VCF1 ( <a href="#">HGNC:25918</a> ) |
| <b>Synonyms</b> | FAM104A                             |
