

# C3orf19 Polyclonal Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP55844

## Product Information

---

|                          |                              |
|--------------------------|------------------------------|
| <b>Application</b>       | WB, IHC-P, IHC-F, IF, ICC, E |
| <b>Primary Accession</b> | <a href="#">Q6P1I3</a>       |
| <b>Reactivity</b>        | Rat                          |
| <b>Host</b>              | Rabbit                       |
| <b>Clonality</b>         | Polyclonal                   |
| <b>Calculated MW</b>     | 53958                        |

## Additional Information

---

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 51244                                                                                                                                                                                           |
| <b>Other Names</b> | Coiled-coil domain-containing protein 174, CCDC174, C3orf19                                                                                                                                     |
| <b>Dilution</b>    | WB=1:500-2000,IHC-P=1:100-500,IHC-F=1:100-500,ICC=1:100-500,IF=1:100-500,ELISA=1:5000-10000                                                                                                     |
| <b>Storage</b>     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information

---

|                          |                                                                                                                        |
|--------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>Name</b>              | CCDC174                                                                                                                |
| <b>Synonyms</b>          | C3orf19                                                                                                                |
| <b>Function</b>          | Probably involved in neuronal development.                                                                             |
| <b>Cellular Location</b> | Nucleus. Note=In the nucleus of neuroblastoma cells, it colocalizes with EIF4A3, a component of exon junction complex. |
| <b>Tissue Location</b>   | Widely expressed..                                                                                                     |

Please note: All products are 'FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC OR THERAPEUTIC PROCEDURES'.
