

# C7orf13 Polyclonal Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP55904

## Product Information

---

|                          |                           |
|--------------------------|---------------------------|
| <b>Application</b>       | WB, IHC-P, IHC-F, IF, ICC |
| <b>Primary Accession</b> | <a href="#">Q8NI28</a>    |
| <b>Reactivity</b>        | Human                     |
| <b>Host</b>              | Rabbit                    |
| <b>Clonality</b>         | Polyclonal                |
| <b>Calculated MW</b>     | 22304                     |

## Additional Information

---

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Other Names</b> | Putative uncharacterized protein encoded by LINC01006, Long intergenic non-protein coding RNA 1006, LINC01006 ( <a href="#">HGNC:48971</a> ), C7orf13, MY040                                    |
| <b>Dilution</b>    | WB=1:500-2000,IHC-P=1:100-500,IHC-F=1:100-500,ICC=1:100-500,IF=1:100-500                                                                                                                        |
| <b>Storage</b>     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information

---

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| <b>Name</b>              | RNF32-DT ( <a href="#">HGNC:48971</a> )           |
| <b>Cellular Location</b> | Cytoplasm. Membrane; Single-pass membrane protein |
| <b>Tissue Location</b>   | Expressed only in testis.                         |
