

# SPAG7 Rabbit pAb

SPAG7 Rabbit pAb  
Catalog # AP56763

## Product Information

---

|                             |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>Application</b>          | IHC-P, IHC-F, IF, E                                                                                                       |
| <b>Primary Accession</b>    | <a href="#">O75391</a>                                                                                                    |
| <b>Reactivity</b>           | Rat, Pig, Mouse, Rabbit, Dog, Horse                                                                                       |
| <b>Host</b>                 | Rabbit                                                                                                                    |
| <b>Clonality</b>            | Polyclonal                                                                                                                |
| <b>Calculated MW</b>        | 26034                                                                                                                     |
| <b>Physical State</b>       | Liquid                                                                                                                    |
| <b>Immunogen</b>            | KLH conjugated synthetic peptide derived from human SPAG7                                                                 |
| <b>Epitope Specificity</b>  | 151-227/227                                                                                                               |
| <b>Isotype</b>              | IgG                                                                                                                       |
| <b>Purity</b>               | affinity purified by Protein A                                                                                            |
| <b>Buffer</b>               | 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                         |
| <b>SUBCELLULAR LOCATION</b> | Nucleus.                                                                                                                  |
| <b>SIMILARITY</b>           | Contains 1 R3H domain.                                                                                                    |
| <b>Important Note</b>       | This product as supplied is intended for research use only, not for use in human, therapeutic or diagnostic applications. |

## Additional Information

---

|                           |                                                                                                                                                                                                 |
|---------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>            | 9552                                                                                                                                                                                            |
| <b>Other Names</b>        | Sperm-associated antigen 7, SPAG7                                                                                                                                                               |
| <b>Target/Specificity</b> | Detected in fetal brain.                                                                                                                                                                        |
| <b>Dilution</b>           | IHC-P=1:100-500,IHC-F=1:100-500,ICC/IF=1:100-500,IF=1:100-500,ELISA=1:500<br>0-10000                                                                                                            |
| <b>Storage</b>            | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information
