

# C12orf23 Polyclonal Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP58564

## Product Information

---

|                          |                        |
|--------------------------|------------------------|
| <b>Application</b>       | IHC-P, IHC-F, IF, E    |
| <b>Primary Accession</b> | <a href="#">Q8WUH6</a> |
| <b>Reactivity</b>        | Rat, Pig, Dog, Bovine  |
| <b>Host</b>              | Rabbit                 |
| <b>Clonality</b>         | Polyclonal             |
| <b>Calculated MW</b>     | 11748                  |

## Additional Information

---

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 90488                                                                                                                                                                                           |
| <b>Other Names</b> | Transmembrane protein 263, TMEM263, C12orf23                                                                                                                                                    |
| <b>Dilution</b>    | IHC-P=1:100-500,IHC-F=1:100-500,IF=1:50-200,ELISA=1:5000-10000                                                                                                                                  |
| <b>Storage</b>     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information

---

|                          |                                        |
|--------------------------|----------------------------------------|
| <b>Name</b>              | TMEM263 ( <a href="#">HGNC:28281</a> ) |
| <b>Synonyms</b>          | C12orf23                               |
| <b>Function</b>          | May play a role in bone development.   |
| <b>Cellular Location</b> | Membrane; Multi-pass membrane protein  |
