

# Otoraplin Polyclonal Antibody

Purified Rabbit Polyclonal Antibody (Pab)

Catalog # AP58577

## Product Information

---

|                          |                        |
|--------------------------|------------------------|
| <b>Application</b>       | IHC-P, IHC-F, IF, E    |
| <b>Primary Accession</b> | <a href="#">Q9NRC9</a> |
| <b>Reactivity</b>        | Human                  |
| <b>Host</b>              | Rabbit                 |
| <b>Clonality</b>         | Polyclonal             |
| <b>Calculated MW</b>     | 14332                  |

## Additional Information

---

|                    |                                                                                                                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 56914                                                                                                                                                                                           |
| <b>Other Names</b> | Otoraplin, Fibrocyte-derived protein, Melanoma inhibitory activity-like protein, OTOR, FDP, MIAL                                                                                                |
| <b>Dilution</b>    | IHC-P=1:100-500,IHC-F=1:100-500,IF=1:100-500,ELISA=1:5000-10000                                                                                                                                 |
| <b>Format</b>      | 0.01M TBS(pH7.4) with 1% BSA, 0.09% (W/V) sodium azide and 50% Glyce                                                                                                                            |
| <b>Storage</b>     | Store at -20 °C for one year. Avoid repeated freeze/thaw cycles. When reconstituted in sterile pH 7.4 0.01M PBS or diluent of antibody the antibody is stable for at least two weeks at 2-4 °C. |

## Protein Information

---

|                          |                              |
|--------------------------|------------------------------|
| <b>Name</b>              | OTOR                         |
| <b>Synonyms</b>          | FDP, MIAL                    |
| <b>Cellular Location</b> | Secreted.                    |
| <b>Tissue Location</b>   | Highly expressed in cochlea. |
