

# Bovine Serum Albumin Monoclonal Antibody(Mix-mA)

Catalog # AP63584

## Product Information

---

|             |            |
|-------------|------------|
| Application | WB         |
| Host        | Mouse      |
| Clonality   | Monoclonal |

## Additional Information

---

|                    |                                                                                    |
|--------------------|------------------------------------------------------------------------------------|
| Dilution           | WB~~WB: 1:1000-2000                                                                |
| Format             | PBS, pH 7.4, containing 0.09% (W/V) sodium azide as Preservative and 50% Glycerol. |
| Storage Conditions | -20°C                                                                              |
