

# IQGAP3 Polyclonal Antibody

Catalog # AP70571

## Product Information

|                   |                        |
|-------------------|------------------------|
| Application       | WB, E, IHC-P           |
| Primary Accession | <a href="#">Q86VI3</a> |
| Reactivity        | Human, Mouse, Rat      |
| Host              | Rabbit                 |
| Clonality         | Polyclonal             |
| Calculated MW     | 184699                 |

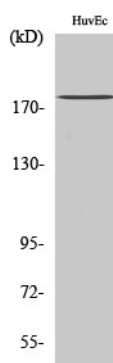

## Additional Information

|                    |                                                                                                          |
|--------------------|----------------------------------------------------------------------------------------------------------|
| Gene ID            | 128239                                                                                                   |
| Other Names        | IQGAP3; Ras GTPase-activating-like protein IQGAP3                                                        |
| Dilution           | WB~~Western Blot: 1/500 - 1/2000. ELISA: 1/5000. Not yet tested in other applications. E~~N/A IHC-P~~N/A |
| Format             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.09% (W/V) sodium azide.                            |
| Storage Conditions | -20°C                                                                                                    |

## Protein Information

|      |        |
|------|--------|
| Name | IQGAP3 |
|------|--------|
