

# Olfactory receptor 10H3/4 Polyclonal Antibody

Catalog # AP71439

## Product Information

---

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Application       | WB, E                                           |
| Primary Accession | <a href="#">O60404</a> , <a href="#">Q8NGA5</a> |
| Reactivity        | Human, Rat, Mouse                               |
| Host              | Rabbit                                          |
| Clonality         | Polyclonal                                      |
| Calculated MW     | 35721                                           |

## Additional Information

---

|                    |                                                                                                                          |
|--------------------|--------------------------------------------------------------------------------------------------------------------------|
| Gene ID            | 26532                                                                                                                    |
| Other Names        | OR10H3; Olfactory receptor 10H3; Olfactory receptor OR19-24; OR10H4; Olfactory receptor 10H4; Olfactory receptor OR19-28 |
| Dilution           | WB~~Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications. E~~N/A                           |
| Format             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.09% (W/V) sodium azide.                                            |
| Storage Conditions | -20°C                                                                                                                    |

## Protein Information

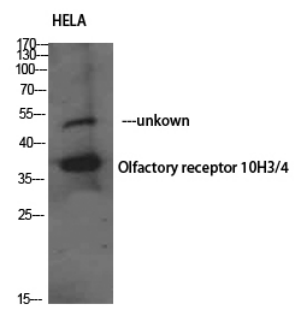

---

|                   |                                             |
|-------------------|---------------------------------------------|
| Name              | OR10H3                                      |
| Function          | Odorant receptor.                           |
| Cellular Location | Cell membrane; Multi-pass membrane protein. |

## Images
