

# Polyclonal Antibody to Bcl2 Associated X Protein (Bax)

Bcl2 Associated X Protein

Catalog # AP74604

## Product Information

|                   |                        |
|-------------------|------------------------|
| Application       | WB                     |
| Primary Accession | <a href="#">F1RIQ4</a> |
| Reactivity        | Pig                    |
| Host              | Rabbit                 |
| Clonality         | Polyclonal             |

## Additional Information

|                    |                                                                                                                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Other Names        | BCL2L4; Bax Zeta; Apoptosis regulator BAX; Bcl-2-like protein 4                                                                                                                                                   |
| Target/Specificity | Sus scrofa; Porcine (Pig)                                                                                                                                                                                         |
| Dilution           | WB~~Western blotting: 0.5-2 $\mu$ g/mL;1:270-1100<br>Immunohistochemistry: 5-20 $\mu$ g/mL;1:27-110<br>Immunocytochemistry: 5-20 $\mu$ g/mL;1:27-110<br>Optimal working dilutions must be determined by end user. |
| Format             | PBS, pH7.4, containing 0.02% NaN3, 50% glycerol.                                                                                                                                                                  |
| Storage            | Store at -20 °C.Stable for 12 months from date of receipt                                                                                                                                                         |

## Protein Information

## Images

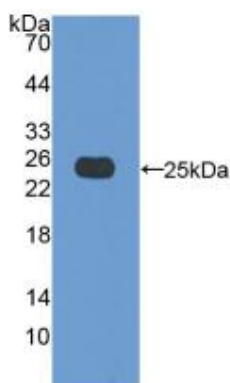

Figure. Western Blot; Sample: Recombinant Bax, Porcine.
