

# Polyclonal Antibody to Otoraplin (OTOR)

Otoraplin

Catalog # AP74770

## Product Information

---

|                   |                        |
|-------------------|------------------------|
| Application       | WB                     |
| Primary Accession | <a href="#">Q9JIE3</a> |
| Reactivity        | Mouse                  |
| Host              | Rabbit                 |
| Clonality         | Polyclonal             |
| Calculated MW     | 14328                  |

## Additional Information

---

|                    |                                                                                                                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Gene ID            | 57329                                                                                                                                                                                                             |
| Other Names        | FDP; MIAL; MIAL1; Fibrocyte-derived protein; Melanoma inhibitory activity-like protein                                                                                                                            |
| Target/Specificity | Mus musculus (Mouse)                                                                                                                                                                                              |
| Dilution           | WB~~Western blotting: 0.2-2 $\mu$ g/mL;1:250-2500<br>Immunohistochemistry: 5-20 $\mu$ g/mL;1:25-100<br>Immunocytochemistry: 5-20 $\mu$ g/mL;1:25-100<br>Optimal working dilutions must be determined by end user. |
| Format             | PBS, pH7.4, containing 0.02% NaN <sub>3</sub> , 50% glycerol.                                                                                                                                                     |
| Storage            | Store at -20 °C.Stable for 12 months from date of receipt                                                                                                                                                         |

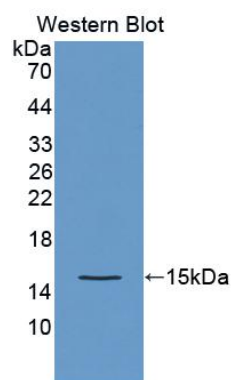

## Protein Information

---

|                   |                              |
|-------------------|------------------------------|
| Name              | Otor                         |
| Synonyms          | Mial                         |
| Cellular Location | Secreted.                    |
| Tissue Location   | Highly expressed in cochlea. |
