

# CD134/OX40L Receptor Rabbit mAb

Catalog # AP75211

## Product Information

---

|                          |                        |
|--------------------------|------------------------|
| <b>Application</b>       | WB, IHC-P, FC, IP      |
| <b>Primary Accession</b> | <a href="#">P47741</a> |
| <b>Reactivity</b>        | Rat, Mouse             |
| <b>Host</b>              | Rabbit                 |
| <b>Clonality</b>         | Monoclonal Antibody    |
| <b>Isotype</b>           | IgG                    |
| <b>Conjugate</b>         | Unconjugated           |
| <b>Purification</b>      | Affinity Purified      |
| <b>Calculated MW</b>     | 30154                  |

## Additional Information

---

|                    |                                                                                                 |
|--------------------|-------------------------------------------------------------------------------------------------|
| <b>Gene ID</b>     | 22163                                                                                           |
| <b>Other Names</b> | Tnfrsf4                                                                                         |
| <b>Dilution</b>    | WB~~1:500-1:1000 IHC-P~~N/A FC~~1:200-1:500 IP~~1:20-1:50                                       |
| <b>Format</b>      | Liquid in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% sodium azide and 0.05% BSA. |
| <b>Storage</b>     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.        |

## Protein Information

---

|                          |                                                                                                                      |
|--------------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Name</b>              | Tnfrsf4                                                                                                              |
| <b>Synonyms</b>          | Ox40, Txgp1                                                                                                          |
| <b>Function</b>          | Receptor for TNFSF4/OX40L/GP34. Is a costimulatory molecule implicated in long-term T-cell immunity (By similarity). |
| <b>Cellular Location</b> | Membrane; Single-pass type I membrane protein.                                                                       |
| <b>Tissue Location</b>   | Expressed in CD4(+) T-cells and in T-helper Th17 cells (at protein level).                                           |

## Background

---

Receptor for TNFSF4/OX40L/GP34. Is a costimulatory molecule implicated in long-term T-cell immunity (By similarity).

Western blot analysis of CD134 in mouse spleen lysates using CD134/OX40L Receptor antibody.
