

Collagen VI alpha 1 Rabbit mAb

Catalog # AP75278

Product Information

Primary Accession	P12109
Host	Rabbit
Clonality	Monoclonal Antibody
Calculated MW	108529

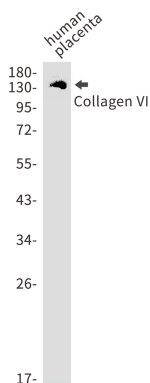

Additional Information

Gene ID	1291
Other Names	COL6A1
Format	Liquid
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.

Protein Information

Name	COL6A1
Function	Collagen VI acts as a cell-binding protein.
Cellular Location	Secreted, extracellular space, extracellular matrix
