

LIM Kinase 1 Rabbit mAb

Catalog # AP77920

Product Information

Application	WB
Primary Accession	P53667
Reactivity	Human, Mouse
Host	Rabbit
Clonality	Monoclonal Antibody
Isotype	IgG
Conjugate	Unconjugated
Immunogen	A synthesized peptide derived from human LIM Kinase 1
Purification	Affinity Chromatography
Calculated MW	73 KDa

Additional Information

Other Names	LIMK1
Dilution	WB~~1/500-1/1000
Format	Liquid in 10mM PBS, pH 7.4, 150mM sodium chloride, 0.05% BSA, 0.02% sodium azide and 50% glycerol.
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.
