

CXCL11 Rabbit mAb

Catalog # AP77953

Product Information

Application	WB, IF, ICC
Primary Accession	O14625
Reactivity	Human
Host	Rabbit
Clonality	Monoclonal Antibody
Isotype	IgG
Conjugate	Unconjugated
Immunogen	A synthesized peptide derived from human CXCL11
Purification	Affinity Chromatography
Calculated MW	10 KDa

Additional Information

Other Names	CXCL11
Dilution	WB~~1/500-1/1000 IF~~1:50~200 ICC~~N/A
Format	Liquid in 10mM PBS, pH 7.4, 150mM sodium chloride, 0.05% BSA, 0.02% sodium azide and 50% glycerol.
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.
