

IRF9 Rabbit mAb

Catalog # AP78038

Product Information

Application	WB, IF, FC, ICC
Primary Accession	Q00978
Reactivity	Human
Host	Rabbit
Clonality	Monoclonal Antibody
Isotype	IgG
Conjugate	Unconjugated
Immunogen	A synthesized peptide derived from human IRF-9
Purification	Affinity Chromatography
Calculated MW	44 KDa

Additional Information

Other Names	IRF9
Dilution	WB~~1/500-1/1000 IF~~1:50~200 FC~~1:10~50 ICC~~N/A
Format	Liquid in 10mM PBS, pH 7.4, 150mM sodium chloride, 0.05% BSA, 0.02% sodium azide and 50% glycerol.
Storage	Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.
