

CD89 Rabbit mAb

Catalog # AP78053

Product Information

Application WB, IHC-P, IF, FC, ICC, IP

Primary Accession P24071
Reactivity Human
Host Rabbit

Clonality Monoclonal Antibody

Isotype IgG

Conjugate Unconjugated

Immunogen A synthesized peptide derived from human CD89

Purification Affinity Chromatography

Calculated MW 32 KDa

Additional Information

Other Names FCAR

Dilution WB~~1/500-1/1000 IHC-P~~N/A IF~~1:50~200 FC~~1:10~50 ICC~~N/A

 $IP \sim N/A$

Format Liquid in 10mM PBS, pH 7.4, 150mM sodium chloride, 0.05% BSA, 0.02%

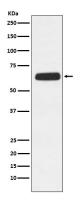

sodium azide and 50% glycerol.

Storage Store at 4°C short term. Aliquot and store at -20°C long term. Avoid

freeze/thaw cycles.
